

Deluxe Repair Station

This Deluxe Repair Station is an all-in-one repair facility that includes a pump, a wheel holder and a repair stand.

The stand provides a stable mount for any bike and a range of eight tools to make adjustments and repairs on the spot. The tools are securely attached by retractable stainless steel cables.

The large surface area allows space for custom branding.

It is ideal for installing at indoor cycle parking facilities, or outdoors in high profile city centre locations.
